

Singular Nouns and Plural Nouns

Look at the picture carefully and tick (✓) the correct word that will be used to describe the picture.

Read
me!

Some singular nouns completely change (in terms of spelling) when converted into their plural form. We do not add **-s** or **-es** to them. These are called **special/irregular plurals**.

Eg.- 1 Person - **many people** } (Here **-s** or **-es** is not added to
fungus - **fungi** } make it a plural noun.)
