

Identification of Notes and Coins

Count and write the number of notes and coins.

Number of ₹ 1 coins = 2

a) Number of ₹ 2 coins =

b) Number of ₹ 5 coins =

c) Number of ₹ 10 coins =

d) Number of ₹ 10 notes =

e) Number of ₹ 20 notes =

f) Number of ₹ 50 notes =

g) Number of ₹ 100 notes =

h) Number of ₹ 500 notes =

i) Number of ₹ 200 notes =

j) Number of ₹ 2000 notes =

k) Total number of notes =

Comparison

Six children went to a zoo with their parents. There are 5 kinds of shows available in the zoo. Each child has a different choice and they choose the shows according to their choice. Help them identify their total expenditure.

Lion show
₹ 350

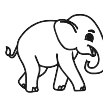

Crocodile show
₹ 450

Dolphin show
₹ 190

Bird show
₹ 210

Elephant show
₹ 490

Samar

Lion show = ₹ 350

Bird show = ₹ 210

Total = ₹ 560

Rani

a) Crocodile show =

Dolphin show =

Total =

Amit

b) Dolphin show =

Elephant show =

Total =

Kamal

c) Lion show =

Crocodile show =

Total =

Rahul

d) Lion show =

Dolphin show =

Total =

Mohit

e) Elephant show =

Bird show =

Total =

Arrange the names of children in an ascending order of their expenditure at the zoo.
