

# Representing Data

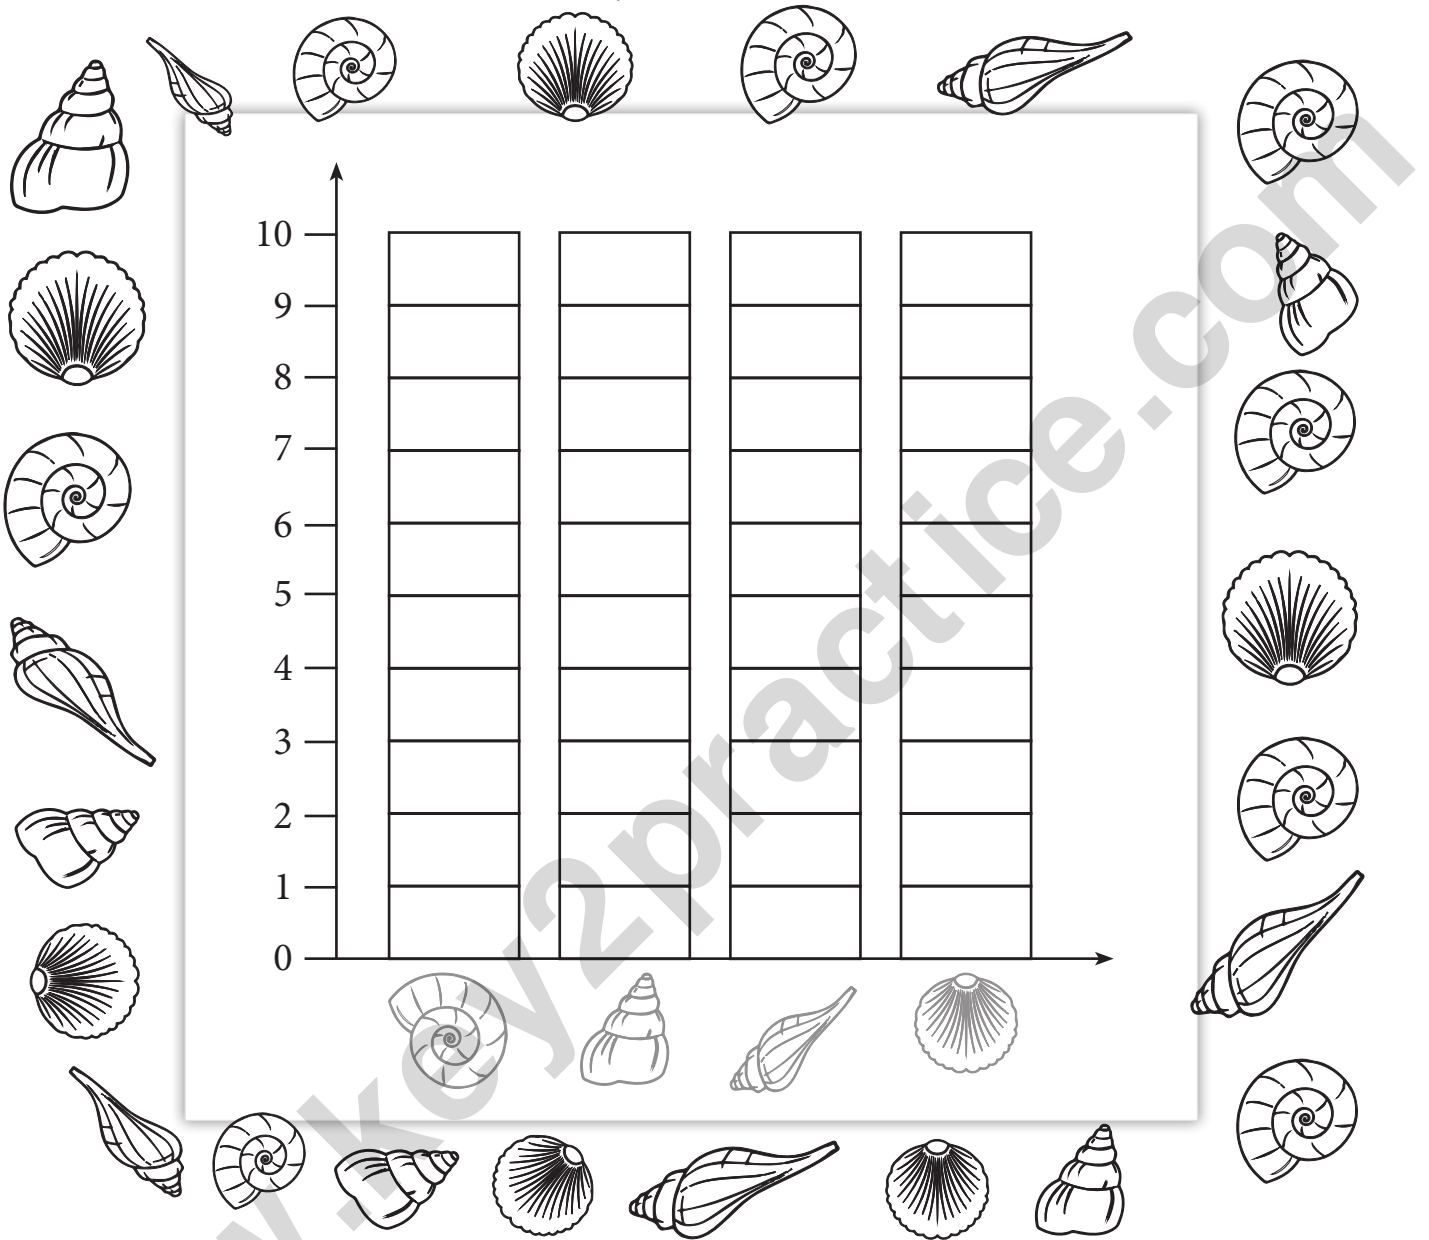

On a school trip to 'Ocean world', Rhea saw many water animals. The pictures of some of them are given below. Count the number of different water animals shown and encircle the correct number in the table given below.

Names of water animals		Number of water animals					
Whale 		1	2	3	4	5	6
Star fish 		1	2	3	4	5	6
Dolphin 		1	2	3	4	5	6
Sea horse 		1	2	3	4	5	6
Turtle 		1	2	3	4	5	6

# Pictograph

Billy and his friends found some sea shells on a beach. Colour the block to show what they found.

Now try this !! 

How many more  than  did they find
